RPM cases

- **SKODA Auto Slovensko case, 2014**
 - ✓ Settlement decision against the importer of SKODA cars for implementing RPM agreement in the form of setting maximum discounts on retailers when selling the cars of certain categories to the final customers
 - ✓ Fine over 2 mil. EUR
- **RAJO case, 2018**
 - ✓ One manufacturer and 8 retailers fined for implementing RPM when selling Rajo branded products in category of milk, cream and butter to the final consumers
 - ✓ Fine over 10 mil. EUR
 - ✓ Case still pending before the national courts
- **New case**
 - ✓ On-going proceedings against one of the distributors of baby and childcare products for implementing RPM on its customers – online retailers
